High Power Lithium Ion ANR26650711A

A123 Systems' lithium ion rechargeable ANR26650**7€1** A cell is capable of very high power, long cycle and calendar life, and has excellent abuse tolerance due to its use of patented Nanophosphate™ technology.

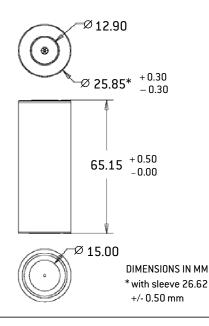

Nominal capacity and voltage
Internal impedance (1kHz AC)
Internal resistance (10A, 1s DC)
Recommended standard charge method
Recommended fast charge current
Maximum continuous discharge
Pulse discharge at 10 sec
Cycle life at 10C discharge, 100% DOD
Recommended pulse charge/discharge cutoff

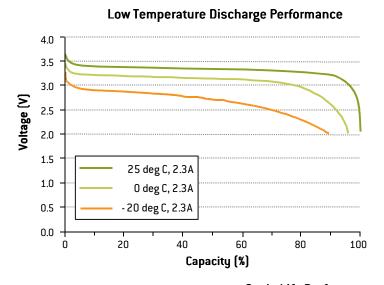

Operating temperature range
